## ExecuTRACK continues worldwide growth with new operations in Paris

### Expansion to support growing customer base in France

**Düsseldorf / Paris, October 17, 2006** – ExecuTRACK, the global market leader of strategic Talent Management solutions, today announced the opening of a new office located in Paris to support increased market demand and growth in France. This newest office follows on ExecuTRACK's targeted global expansion in the last years, during which the company has established its presence in key markets around the world.

“Our goal is to drive ExecuTRACK's sales and growth initiatives in the French market while tailoring services that best match the local business needs and best practices, “ said Jonas Desdevises, ExecuTRACK's Sales Director France.

The new ExecuTRACK office provides local service and support for French customers as well as existing ExecuTRACK's global customer base with a French presence.

The ExecuTRACK Software Group has rapidly established itself as the world leader in the market for strategic Talent Management. The 100% Web-based solution ETWeb Enterprise – developed with over 20 years of experience – fully supports your organization in analyzing and managing all areas of its human capital: Career & Succession Planning, Performance Management, Skills and Competency Management, Training & Development Management, Compensation Management, Organizational Charting, and Global Talent Warehouse.
